ESCP Europe Alumni brings you the new way to boost your career: AVARAP Career-change Workshops!

✓ Are you looking for a job?
✓ Does your position seem to be threatened?
✓ Does your career feel it's reached dead end?
✓ Are layoffs in your company getting closer to you?

If you want things to change and to give your career a boost, take it into your own hands and follow the right method: try AVARAP!

AVARAP offers a 3-month programme of workshops, with one meeting a week. Its success is based on group dynamics and creativity.

You will have a mentor to lead you and your group through the following 3 steps:
1 – Assess your professional skills and personal life today
2 – Imagine tomorrow with a forward view on your professional options
3 – Put your professional future in motion with a concrete action plan

Unique, thorough and proven to work

Established in France and operating for 25 years , **AVARAP** has been working in partnership with ESCP Europe Alumni since 2005. 290 people have already taken up the service with great success in finding new jobs.

AVARAP has created a new programme exclusively for the UK market and is NOW launching its second group in London.

If you have 5 years professional experience and would like to know more, please come to a free information session:
Tuesday 23rd November, 2010 – 7.00-9.00 pm
ESCP Europe, 527 Finchley Road, London NW3 7BG
Weekly sessions will start on Tuesday 7th December, 2010
Please register with: cvillard@escpeuropealumni.org

"Much more than a methodology and a framework, AVARAP UK has brought me a new group of friends (who) have provided me with support, ideas, and contacts which will help me in my career development. Laurent Brouat, our facilitator, made it happen as he was really good at coordinating the group and running the sessions" - Etienne

"I started AVARAP UK as an unemployed youngster with low confidence. AVARAP UK helped me rebuild confidence (…) and I found a job before the end of the program" - Julien

AVARAP welcomes alumni from the following schools: ARTS & METIERS, ECOLE CENTRALE, EDHEC, ENA, ENS, E.N.S.A.E, EM LYON, ESCP EUROPE, ESSEC, ETP, HBSCDF, HEC PARIS, IAE, INGENIEURS DE L'AGRO, INSEAD, INTERMINES, ECOLE NAVALE, ECOLE DES PONTS PARISTECH, SCIENCES PO, ISAE-SUPAERO-ENSICA, SUPELEC, TELECOM PARISTECH
